DETAILED ACTION

EXAMINER 'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steve Forbes on 02-25-05.

The application has been amended as follows:

In the abstract:

Delete "The NAS route switch controller,.....processing of individual packet."

In the claims:

Claim 1, line 8, "from a" has been changed into --- from the ---.

Claim 15, line 11, "from a" has been changed into --- from the ---.

Reason for Allowance

2. Regarding claims 1-8, and 15-22, the prior art fails to teach or suggest a method of operating a network access server that comprises a step of determining, from the results of the routing table lookup, a routing table identifier and a second processor responsible for processing the received packet, the second processor selected from a

plurality of forwarding processors in the network access server, in combination with other limitations, as specified in the independent claims 1, and 15.

Regarding claims 9-14, the prior art fails to teach or suggest a data network access concentrator that comprises a distribution engine to perform routing searches for data packets received at the egress port and to distribute each such packet, along with the results of the routing search, to the forwarding engine supporting data communication for the ingress port access session associated with that packet, in combination with other limitations, as specified in the independent claims 9, and 14.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duc Ho whose telephone number is (571) 272-3147. The examiner can normally be reached on Monday through Friday from 7:00 am to 3:30 pm.

If attempt to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Huy Vu, can be reached on (571) 272-3155.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (571) 272-2600.

The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
